

## TREKKING

Sole made in high quality rubber, technology **AQUA GRIP**. Its anti-slip compound and design, grant a sole with great resistance and durability, especially suitable for mountain terrain.

### Rubber features :

Hardness <small>ISO 7819-1</small>	ShA	
Density <small>ISO 2781:15</small>	g/cm <sup>3</sup>	1,16 - 1,22
Abrasion <small>ISO 4640:13</small>	mm <sup>3</sup>	60 - 70
Sizes :	36-38   39-41   42-44   45-47	

### Colors available :

— Black

Gluing procedure **AQUA GRIP** :  
Sanding + Halogenated + Polyurethane glue
